Collaborative working Cards
‘We are in this together”

(Tumisu, 2015)

The ‘Collaborative Working Cards’ are designed to support you working together with your peers.

This is an opportunity for you to share, if you so wish your cultural values, preferences of working in a group and your learning experiences.

Enjoy!

Etiquette

When working collaboratively please note the following:

- Please be respectful
- Allow each person to join the conversation
- Listen attentively
- Ask questions and be patient with the answers
- Be aware of others feelings
- Support each other
- Be kind to one another
- Be honest and open

Definition of Cultural Identity

Cultural identity refers to an individual's sense of belonging to a particular culture or group.

It is formed through shared characteristics such as language, traditions, beliefs, values, and norms that are passed down from generation to generation.

Cultural identity plays a pivotal role in shaping how people view themselves and the world around them. (Oxford Review, 2024)

The Art of Cultural Identity

- Encourages **mutual respect** – Different perspectives broaden horizons and opens doors for solutions.
- Improves **social skills** – Cultures working together produces a unified collaboration less tension.
- Promotes **creativity and innovation** – Creates a fluid and trans - formative environment for growth and development of ideas.

Multiculturalism

The coexistence of cultures celebrating diversity and promoting collaboration.
